

Community Council Agenda - September 23, 2015
Three Peaks Elementary School

Council Members in Attendance - Paula Burgoyne, Jill Savage, Trish Topham, Bonnie Wilcock, Jana Carter, Nikki Sanderson, Jessica Kaufman, Alison Fitzgerald

Action Items -

1. Review and approve past minutes.
Motion to approve minutes - Jana Carter
2nd - Jill Savage

- 2) Review District and School Goals

District and school goals are focused on:

- a. Professionalism - promote communication with parents and school teams.
- b. Student Achievement - emphasis on differentiation, using formative and summative assessments to drive instruction for all students.
- c. Educator Effectiveness - training on the Utah Teaching Standards, new programs and implementing "The Three Peaks Way".

- 3) Three Peaks Mission Statement was revised this year and reads as follows -
We will work collaboratively to create a safe and stimulating learning environment in which we inspire, monitor, support, and extend student learning to ensure each student has the opportunity to achieve his/her full potential.
This statement goes along with our new "Three Peaks Way" mantra.

- 4) Discussion of School Improvement Plan

- 5) Reading Achievement Plan - Discussion led by Jill Savage, Reading Specialist
The plan is still in the process of being generated because of changes being made to criteria used to assess achievement. Information is pending. We do know that 47.83 % of students will be required to show typical progress in order to meet expectations of the new reading achievement plan. Jill will write up a summary of the plan when she receives the information.

- 6) Trust Land plan discussed, along with the ways the money is used in our school. Viewed DVD.

- 7) Science Ambassadors - Mr. Clark (4th grade teacher) made a proposal to the group for funds to help improve science at our school. The funds would go to provide opportunities and experiences for students to build Science, Technology, Engineering, Mathematics (STEM)
during science ambassador meetings, the ambassadors would then in turn help learning in regular classrooms. The committee discussed the proposal and a motion to provide funds to the Science Ambassadors was made by Trish Topham - 2nd Nikki Sanderson
