

# Three Peaks Elementary

Lin's is excited to serve our community and local schools with the continuation of our School Cents program. We are privileged to be a part of the education experience of today's children and are proud to offer the School Cents program as a way for schools to obtain additional education funds.

The School Cents program will continue to run through the PLUS Rewards program, allowing us to electronically track the credit your school earns. Your school will earn 1% back on eligible purchases from July 1, 2017 to March 31, 2018.

## Earn up to \$10,000 per school year.

Fill out form below and return to Lin's to start earning today. If you already have a PLUS account, don't forget to link your account to Three Peaks Elementary.

Thanks for letting us help be a part of your school year! Any questions, feel free to stop in and we can answer them for you.

Sincerely; Rochelle Mellor
