President's Message

WOW! Can you believe it's April? Happy Spring to everyone!!! As this year is beginning to wind down I just want to thank each and everyone of you and your students for being so amazing this year. I strongly believe that we have the very best school in the county! Please continue to support the PTA by coming out to our General Meeting on April 9 at 4 pm. We will be voting on the officers for next year. Please note that while everyone is welcome to attend, only those who have paid their PTA dues are able to vote. If you'd like to have a voice and haven't paid the \$5 yet we will be accepting the dues before the meeting that day. We have some great people lined up for next year that want to make it even better than this year and I'm excited to see the PTA program grow at our school.

KINSA Information

We are very excited about our school's participation in the FLUency school health program! This program will keep our students healthier by:

- Giving you a FREE Kinsa Smart Thermometer (\$20 value)
- Showing families symptoms and illnesses going around school so you can take the best steps to keep your children healthy (all entirely anonymous and aggregated)
- Reducing sick days through early detection of any illness

We hope you will consider participating in this initiative! The more families that participate, the more successful the program will be in keeping our students healthier throughout this school year.
