

Mission Statement

We will work collaboratively to create a safe and stimulating learning environment. We will support and extend student learning to ensure each student has the opportunity to achieve his/her full potential.

Vision Statement

To create an outstanding educational environment in which students are engaged in meaningful learning experiences, demonstrate personal responsibility and show respect and kindness for others.

Purpose Statement

Our purpose is to foster an environment in which all students can reach their full potential. To provide each student a first-class education in a physically and emotionally safe environment.

Collective Commitments

Teachers will stay focused to keep student learning at high levels specific to each student's abilities.

SMART GOALS Related to Student Learning

Teachers will:

- Specify learning objectives and expectation to students.
- Regularly monitor student learning through a variety of assessments.
- Address each individual students' learning needs and styles by providing extra support and/or enrichment.
- Collaborate to address student learning.
- Examine practices and procedures to assess its impact on learning.
- Continually seek opportunities for professional growth and development.
